Features built for today's marketers

Newsletter/email

Product review

Gift Cards

Rewards Points System

Marketers can create a reward points system, related products pane, discounts, and coupons, forums, polls, and custom pages, gift cards, Product reviews and ratings, and affiliate programmes. QuickStore also includes a content hub (news, blogs, articles, and newsletters per store).

Commerce on the go

The benefits of Mobile Commerce:

QuickStore supports a mobile version of your webstore with a compelling, feature-rich, and graphically pleasing store front, and it allows retailers to instantly deliver relevant offers, promotions, and products. It also comes with external authorisation via social media platforms so no need for separate registration process.

What would drive online shoppers to shop more

71%

If there is no need to type in payment or delivery details

68%

More choice of ways to pay

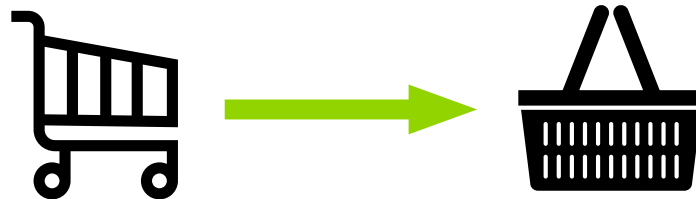

51%

If there's no need to log into the website to make purchase

Easy checkout

- **Anonymous checkout:** allows customers to checkout without creating an account
- **One Page checkout:** reduces the steps required in the checkout process thus making checkout faster
- **Checkout attributes:** provide customers with various options such as gift wrap products for personalised card messages
